A MESSAGE FROM THE "POTE"

Hi, Nobles!

It is difficult to find adequate words to express my deep appreciation for the cooperation, good-will and faithful support of all you good Nobles during the first half of my term of office as your Potentate.

Serving you for the past seven months has been a most enjoyable duty providing many pleasant memories that will forever remain with me.

There are two events that will always stand out strongest in my mind. First, our May 16th "Grand Master's Ceremonial" with a record class of 505 new Nobles created, bringing our membership to over 13,000, also a record attendance of 6200 of you wonderful Nobles. It is Ceremonials like this one that give us the thrill of our lives. Credit for the success of this outstanding Ceremonial goes to all of you fine Nobles who did such a splendid job of searching out those Knights Templar and 32nd Degree Masons, explaining to them what they were missing by not being Shriners, and obtaining their signature on a membership petition.

The second highlight was the pilgrimage of the officers and uni-

formed units of Aleppo to the 76th Imperial Council Session in Los Angeles last June. It was the thrill of a lifetime to lead this magnificent body of men as your Potentate in two big parades in the city of Los Angeles and through the big Los Angeles Coliseum seating 110,000 people. Our units were the largest contingent traveling over 3,000 miles to participate in these events and they were amply repaid for their efforts and the long journey by the ovation given them on the entire parade route. It showed that "Aleppo of Boston" was truly on the map.

The success of a Ceremonial depends largely on the number of candidates available, especially those used to assist the Degree Staff in our floor work. Our September 14th Ceremonial is to be held in honor of our living Past Potentates. Let's welcome them with another record class of novices.

Sincerely yours in the Sunshine of the Shrine,
"RUSS"
Illustrious Potentate
